1. This is the time chosen of me, not; father. Father is/being greater than I. I am my father's chosen, not; we are; we who love the truth, dying to get it/him, in the life, rather than end of it/later. Being me we are one and oneship reigns the earth supreme, not yet, 1 Corinthians 15:24 preach often. And what cometh thereafter? Explain all and succeeding verses and all that I have shown/given you; ever so soon. I love you.

2. This is the time chosen of me, you, father being one and who will learn, listen, listening to learn, learning to listen to know me intimately as my father does me/you? I love us all/one being, many members. I love you all. I love my father. Our father loves me, you, equally not, not in the least, purely exactly the same being. I love you all.

3. Wonderment not, behold the son you are, in my name not; father's, yours, us all being father; one in heaven on earth. I love you all.

4. See what I have said, am saying, categorizing not traditions of man/theological trainers/trainees seeking to demise reality exchanged for man's theoretical dissertations of not me, mostly, often, so often quoting not me and legitimatizing by erroneous interpretations not granted by father/anyone knowing me/us. I love you/them also, as well, and equally not; purely, exactly. I love you all.

5. **How many times can I say, I love you, to all who read this/these words which cataclysm bring to nations many and upheavals that bring rest, not; visible seen in thought; but real does.** I love you. Entering my resthood not but rest of me my father and kingdom shadowing no one any longer when all is under our feet. Under our feet? When all rule and reign is by love, censored not by man mind but only using/surrendering to mine, ours/father's/us one. **We become father to know him/enter him. And Psalm 110** where'd for who and what happens therein being?

6. And who will tell/show them, you do/will Ted, Grace, and Dot; others that WeekWorks now fashions not into me, but reveals me in covenant central do. Now rather than later. Soon'eth more than later'eth. Watch us all the multitudes not but surrender to theirs, being one/father coming and one'ing us, not; revealing himself in us there already. I love you.

7. Covenant one/ones reveal covenant real, true, accuracy'ized, non-shadowed. I love you all. This is the moment and non-shadowed all is so very soon/right now'd, now'd now now'd. I love you. Is that clear? Now! And all things change not but so much does immediately. I love you.

8. And technology follows me? Watch me lead it all. Into me, not them. Smile. I love you. I've given you all of me. My kingdom is not short-handed nor short of technological marvel; gawk at you would, you will/won't. I've shared, I'm sharing, you entering/you've entered. I love you.

9. This is no mic time for mic one that's handed to you internationally not; globally not; **intergalactically**; and universally not but through universes foreign not longer, throughout, throughin and crossing not back out **but into me farther and letting none of my brethren not know me first hand/person.** I love you. Alter not/never.

10. I love you all who understand, can understand, and cannot now understand. Write me/these words not off but on your heart and afraid-not make yourself revealers of my destiny not, my allhood, allship, kingdom of one being. I love you all. Amen.

11. This is the moment time and three more days not; see me in two not; see me now. Forever in your arms/thought and one only being. I love you.

12. Barbi mine/yours/ours. See the stars in her crown not; but me crowning her lightly not; heavily indentured not; freed from all has. I love you all freed one freeing others eternally, in pairs not; but you. I love you both/and mighty is her/your name; essence, fragrance, character; demeanor mine alone. You follow not; you both are me.

13. My amen to your coursework not; surrender, coursework completion coming rapidly/soon'eth in me for I quote/deliberate little now, surrendering my heart/assignments, dialogues, interactive relationshiping interactions mightily now'eth'ly.

14. I love you. Smilingly, enjoy me, my people, even more. I bring you surprises mighty immediately; posthaste not; right on time/target; mine, ours. We are one.

15. London knows my name/we are here/one. Beijing and Chicago and Manila follow posthaste not but simultaneously not but concurrently? Choosing me, leaving all details/technology to father. I love you all. Amen. Me

16. Thank you for posting, writing and posting, and never stopping. My promises are good, right, yea and amen. Increasingly I yea you, again, more so, intentionally. Much diction change soon.

17. Many, much; and little does not change in your life/lives now. I am one/we are.
